

Climatisers

Meteor EC Series

METEOR EC

Climatiser that provides cool air in the summer and heating in the winter.

Characteristics

- 3 'cool' air speeds and 1 warm air setting.
- The grille has two operating conditions: stationary and continuous rotation at 360° for improved air distribution.
- Adjustable thermostat.

Technical data

Technical characteristics

Model	Voltage 50Hz (V)	Power (W)	Airflow* (m³/h)	Air speeds		Automatic thermostat	Anti-freeze device	Grille		Security thermal protection	Sound pressure level	Colour	Weight (kg)	Dimensions LxWxH (mm)
				Cold	Warm			Fixed	360° rotating
