

Hand dryers ECOHAND-N Series

ECOHAND-N

The fast, hygienic and energy efficient hand drying system.

The ECOHAND-N hand dryer uses a powerful, high-speed layer of clean air to eliminate every drop of water from the hands, leaving the dry in just 12 seconds.

The innovative design prevents water droplets from falling to the ground, guaranteeing higher standards of hygiene.

Advantages

Fast. Dries in just 12 seconds.

Hygienic.

Energy efficient.

Environmentally friendly.

Reduced CO2 emissions.

Automatic operation. Controlled by an intelligent infrared sensor that automatically turns the unit on and off.

CPU controlled brushless motor (no carbon brushes).

Anti vandal degree IK10.

LED display indicating the processing and drying time.

Easy to clean and maintain. Easy access to water collection tray.

Robust, impact-resistant housing.

Economic and durable.

Intelligent, practical and elegant design.

Air intake filter.
